

Cookies policy

This website uses cookies – small text files, which are stored on your device in order to make our website more user-friendly. In general, cookies are used to store user settings, information about tools such as the shopping cart, and for provision of anonymized data for traffic monitoring through third party applications, such as Google Analytics. In general, cookies contribute to the easier and more convenient operation of the website. Nevertheless, you can choose to deactivate them for this or other websites. The most effective way to do this is to disable cookies in your browser. We recommend that you read the Help menu of your browser or check the website [About Cookies](#), which offers guidelines for all modern browsers.
